62nd Geomechanics Colloquy

LANGUAGES

Conference languages will be German and English. Simultaneous translation will be provided.

CONFERENCE LOCATION

The conference will be held at the Salzburg Convention Center which is located very close to the center of the city. Salzburg itself is famous for its unique scenery and atmosphere.

TECHNICAL EXHIBITION

Exhibition facilities are available at the conference venue. Due to strong demand, interested companies are advised to book early. For more information visit our homepage www.oegg.at

ADVERTISING POSSIBILITIES

We offer several possibilities to place your advertisement. For details visit our homepage www.oegg.at or contact our secretariat.

EXCURSION

An excursion to important rock engineering sites and tunnels will be organized for October 12th.

SIGHTSEEING PROGRAM FOR ACCOMPANYING PERSONS

A program will be organized for accompanying persons for October 10th.
